SHOW

Thank you to all the above businesses for your on-going support for the unWINEd Riverina events and promotions program. With your support we have been able to grow and develop new events and build awareness for our region.

ACKNOWLEDGEMENTS

It takes many people to put together a wine show, let alone six! On behalf of the Riverina Winemakers Association and the wine show committee, I'd like to acknowledge the following people and businesses for their contributions and support.

- All of our 2018 sponsors listed to your left
- The Wine Show Committee - Russell Cody, Emma Norbiato, John Coughlan and David Joeky for all your efforts in supporting and improving the show.
- RWA Members, Andrew Calabria and Sam Brewer for supporting the committee at every step
- To each of our local wineries who provided staff to support set up and pack down; trucks for pick ups; equipment and much more.
- Adrian Bianchini, Fernando Rombola and the Dee Vine team for hosting our judges for dinner at their winery
- Wayne Alpen and his warehouse staff for receiving our exhibits
- All of our stewards and helpers - Russell Cody; Georgina Low; Emily Woods; Kane McDonald; Timra Jones; Matteo; Paul Richardson; Mel McWilliam; Ben Trenergy; Matt Santos
- Our judges for travelling and supporting the show
- Francesca from the AWRI for implementing and supporting the showrunner system
- Laura De Mamiel who assisted me with the show all the way even at 37 weeks pregnant

Thank you,

Carrak Lymer

2018 Show Organiser

To anyone I may have missed I apologise

MESSAGE FROM THE PANEL CHAIR

Stepping into the role as Chair of Judges, I knew the key to achieving great results was by surrounding myself with a great team. The judging panel was made up of a good, diverse mix of both local and interstate winemakers, wine retailers and sommeliers - making for some lively, but respectful discussions.

It's always a good sign when the trophies are difficult to choose from amongst the winners, proof that the right wines have risen to the top - this was certainly the case.

Particular strengths this year for whites were Italian varietals and Tumbarumba chardonnay; while in the reds, Hilltops cabernet sauvignon and Riverina GI's 'other reds' offered some exciting line-ups. Local fortifieds remained strong.

Back of house ran smoothly thanks to the efforts of our Chief Steward Russell Cody and his team, while our data was sorted swiftly and efficiently using the AWRI wine app. The app has proven to be an invaluable resource, with many thanks to Francesca.

Long judging days were fuelled by our nightly dinners, which were all fantastic. The class of establishments like Limone and Zecca are true highlights of the region, showcasing the excellent quality of the hospitality, cooking and the outstanding local produce.

OPEN SHOW

The Riverina is the country's largest wine producer, accounting in NSW for 60% of the state's production. Uniquely and proudly, five family-owned businesses are essentially responsible for driving the region's engine-room, supplying one in every four glasses of Australian wine.

As a result, over time, these producers have been compelled to draw from well beyond the Riverina to meet demands for the considerable volumes of consistent quality wine they produce, to compete at key price points in both domestic and overseas markets.

Likewise, the Riverina Wine Show has expanded concurrently to reflect this reality, acknowledging the wider resources required by inviting large companies beyond the region to participate in the Riverina's national competition, which has formed basis of the Riverina Wine Show, now in its 44th year.

AUSTRALIAN ITALIAN VARIETIES

Created in 2016 to focus specifically on the development of Australian wines from Italian varieties. The awards have a natural link with the Riverina, as the region's agricultural foundations were underpinned by the strong Italian migrant population, right back to the early 1900s.

TUMBARUMBA

Designed to support and champion the excellence of the smaller growers and winemakers within the neighbouring Tumbarumba GI who not only produce their own boutique labels, but make an important contribution to the greater Riverina by supplying significant quantities of cool climate fruit.

This development is a natural progression that seeks to acknowledge and celebrate the partnership of these distinct yet interdependent regions and their respective strengths

HILLTOPS

Designed to support and champion the excellence of the smaller growers and winemakers within the neighbouring Hilltops a GI who not only produce their own boutique labels, but make an important contribution to the greater Riverina by supplying significant quantities of quality fruit.

This development is a natural progression that seeks to acknowledge and celebrate the partnership of these distinct yet interdependent regions and their respective strengths
