MESSAGE FROM THE PANEL CHAIR

With a reinvigorated team of judges, chosen for their diverse palates and backgrounds, the 2019 Riverina Show was a pleasure to judge.

Across the board, cooler climates served the traditional varieties of chardonnay, pinot and cabernet well. While warmer areas saw the rise of non-thirsty vines such as montepulciano, trebbiano and fiano – a nod to our future landscape.

Long days of judging were rewarded by local hospitality at its best. For lunch, Rhonda's delicious carb-loading feast provided the team with much-needed fuel. By night, our dinners at Limone, Zecca and in De Bortoli's (or rather Julie's) barrel room were standouts.

The flow between the back of house team and the organisers was exemplary, making for an easy and efficient environment to work. A big thanks to Russell, John and the stewards for their tireless support, and Carrah and Laura for taking care of everything.

Lastly, Francesca from the AWRI was a formidable resource with the Showrunner system.

We look forward to doing it all again in 2020.

OPEN SHOW

The Riverina is the country's largest wine producer, accounting in NSW for 60% of the state's production. Uniquely and proudly, five family-owned businesses are essentially responsible for driving the region's engine-room, supplying one in every four glasses of Australian wine.

As a result, over time, these producers have been compelled to draw from well beyond the Riverina to meet demands for the considerable volumes of consistent quality wine they produce, to compete at key price points in both domestic and overseas markets.

Likewise, the Riverina Wine Show has expanded concurrently to reflect this reality, acknowledging the wider resources required by inviting large companies beyond the region to participate in the Riverina's national competition, which has formed basis of the Riverina Wine Show, now in its 45th year.

RIVERINA

LEGEND

Les has inspired and educated many people about Riverina Wine. He has devoted many hours of service to our industry (many of these I think were volunteer). Quite simply, without people like Les (full of passion and dedication) the Riverina Wine Show would have ceased to exist many years ago.

Les is a stalwart in the wine community within the Riverina region. He has worked at De Bortoli, Calabria, McWilliams and now at Casella and is a well known face in the industry who supports our Riverina region with great passion and pride.

AUSTRALIAN ITALIAN VARIETIES

Created in 2016 to focus specifically on the development of Australian wines from Italian varieties. The awards have a natural link with the Riverina, as the region's agricultural foundations were underpinned by the strong Italian migrant population, right back to the early 1900s.

TUMBARUMBA

Designed to support and champion the excellence of the smaller growers and winemakers within the neighbouring Tumbarumba GI who not only produce their own boutique labels, but make an important contribution to the greater Riverina by supplying significant quantities of cool climate fruit.

HILLTOPS

Designed to support and champion the excellence of the smaller growers and winemakers within the neighbouring Hilltops a GI who not only produce their own boutique labels, but make an important contribution to the greater Riverina by supplying significant quantities of quality fruit.

This development is a natural progression that seeks to acknowledge and celebrate the partnership of these distinct yet interdependent regions and their respective strengths
