# WE FINALLY GOT THERE

Another uncertain year but once again we just had to roll with it and keep adapting our plans to ensure we could continue the show for the 46th time.

Initially planning to run at our normal time in late August/early September, we commenced our set up at the Yenda Hall on the first Friday in August. Just over a week later, regional NSW was in lockdown. By this stage we had already received a substantial amount of entries or they were already in transit. We didn't want to move the exhibits out because the hall was secure and had the ideal temperature to store the exhibits plus we really didn't want to pack up and clear everything out, only to have to set them all up once again.

We were lucky we didn't have to in the end so our judging tables stood silently in the Yenda Memorial Hall for 15 weeks before a wine glass was placed on them. Thank you to the committee who manages the hall for supporting us at every step. The additional hire fees we incurred are reinvested back into the old hall which has great connections to our wine industry.

This year, we welcomed Gwyn Olsen as our new Chair and John Coughlan as our new Head Steward, both stepped into their roles with ease and ensured the show ran smoothly. Thanks to the judges who were able to hang in there with us; the ones we couldn't get over the borders; and to the ones who were called up at the last minute to support.

Amongst all the seriousness of wine judging we like to have some fun so Russell Cody decided to reignite our local Salami Showdown. Just like a trophy taste off, all team members in the hall had to sample and judge the salamis voting on plate A, B, or C. Congratulations to Layne Foley from De Bortoli Wines for winning, beating out both Russell Cody and Andrew Higgins by popular vote.

2022, who knows what conditions you will throw at us next year but I am so grateful to work in the Riverina wine region with our amazing members who I can rely on to always show up and help out where needed. It takes a large team to pull together a wine show and I am so thankful to the local wineries for their support. Special thanks Rhonda, Laura, Krystal, and Pip for doing the behind the scenes work and ensuring everything runs smoothly.

# CHAIR REPORT

With the ever changing border rules and travel restrictions, at times it felt that the 2021 wine show would never get off the ground. But thanks to the tireless efforts of Carrah Lymer, Chief Steward John Coughlan, and their spectacular teams - it was, of course, a resounding success.

The back of house team worked efficiently and energetically running a tight team washing and polishing the hundreds of glasses, pouring the wines and keeping the judges on the straight and narrow. It was a wonderful effort and it is great to see so much support from the local wineries and associated businesses.

Thank you to the AWRI Showrunner team for helping keep all six wine shows on track and on time with the digital judging and virtual support.

This year the judging panel was changed a number of times as borders opened and slammed shut, and thank you to all who stepped into the judging team with very little notice. It was great to have two sommeliers in the mix, and one as Panel Chair, to provide a difference of opinion to the technical winemaking judges and panel chairs. A number of the judging team had never visited Griffith or the Riverina before and it was a joy to be able to show them the great community, restaurants and of course, wines. I know that they went back with an immensely positive experience.

As always, our nightly dinners were exceptional and thank you to the restaurants who made space for the team. It was great to have the judges at Bull and Bell eating wonderful food and ordering local wines from the menu. The opportunity to taste the local wines outside of the judging context is an incredibly important aspect of the show. As was the opportunity to initiate the first timers into the history Griffith with a dinner at La Scala and introduce them to the wonders of the rocket toppa.

After a tough year in both Hilltops and Tumbarumba, the entries were down in both of those shows however it was nice to see older wines shining through, particularly cabernet. In the Riverina and Italian Varietals Wine Show, it was great to see the continued improvement in wine quality and differing wine styles and some true delights in both shows reflected in the gold medals.

Thank you for the opportunity to chair this year. It is such an enjoyable show, run extremely well by the hard working team and volunteers.

# OPEN SHOW

The Riverina is the country's largest wine producer, accounting in NSW for 60% of the state's production. Uniquely and proudly, five family-owned businesses are essentially responsible for driving the region's engine-room, supplying one in every four glasses of Australian wine.

As a result, over time, these producers have been compelled to draw from well beyond the Riverina to meet demands for the considerable volumes of consistent quality wine they produce, to compete at key price points in both domestic and overseas markets.

Likewise, the Riverina Wine Show has expanded concurrently to reflect this reality, acknowledging the wider resources required by inviting large companies beyond the region to participate in the Riverina's national competition, which has formed basis of the Riverina Wine Show, now in its 46th year.

# RIVERINA GI SHOW

The Riverina Region Show GI Classes focus on evaluating the style and quality of wines produced from entirely within the Riverina.

These classes are specifically aimed at creating space for smaller producers to be represented in competition, providing the industry with a better perspective of the Riverina's true capacity as a wine-producing region.

# LEGEND

## **2021 Riverina Legend - Bill (William) Calabria**

Bill (William) Calabria has worked in the local wine industry since he was 14, almost six decades! Bill has experienced many highs and lows but through hardwork and determination Bill fought through it with his family by his side. Bill has forged his own path, staying true to his vision of developing premium brands out of the Riverina. It is so fitting that Bill's Three Bridges Durif has won the most coveted Riverina trophy of the region this year, Best Durif. The wine that changed perceptions and became the hero red wine variety for the Riverina, all thanks to Bill. An affable and generous nature has made Bill one of the most beloved figures of the local industry. We are so proud to recognise Bill Calabria as our 2021 Riverina Legend.

**Carrah Lymer, Executive Officer Riverina Winemakers Association**

"Bill's focus has always been quality. From as early as the 1990's Bill didn't want to produce bulk wine- he set out to produce high quality wines. He did this with the launch of the 3 Bridges range, which is still known for being great quality Riverina Wine. Bill is a trusted mentor to me and an all round great person, quietly giving back to the wider community in many ways."

**Emma Norbiato, Chief Winemaker, Calabria Family Wines Group.**

"On behalf of the NSW wine industry I would like to congratulate Bill Calabria on receiving the Riverina legend trophy. This deserved recognition of Bill's accomplishments are borne from his passion, innovation and commitment to the Riverina, New South Wales and Australian wine industry over many years. We look forward to the exciting future for Bill and the entire Calabria family as they continue to play a significant role in the prosperity and growth of the Riverina for generations to come"

**Mark Bourne, President NSW Wine Industry**

# AUSTRALIAN ITALIAN VARIETIES

Created in 2016 to focus specifically on the development of Australian wines from Italian varieties. The awards have a natural link with the Riverina, as the region's agricultural foundations were underpinned by the strong Italian migrant population, right back to the early 1900s.

# TUMBARUMBA

Designed to support and champion the excellence of the smaller growers and winemakers within the neighbouring Tumbarumba GI who not only produce their own boutique labels, but make an important contribution to the greater Riverina by supplying significant quantities of cool climate fruit.

This development is a natural progression that seeks to acknowledge and celebrate the partnership of these distinct yet interdependent regions and their respective strengths
